

The Mission:

The Poughkeepsie River District Business Association and Dutchess Beer Distributors would like to thank you for being a part of our previous tournaments. With your participation, everyone has had a great time over the years and we want to make this year the biggest and best event to date. So we can raise as much money to give to local families in need. There will be nine places participating.

Dear Business Associate:

Sun, February 17th The Poughkeepsie River District Business Association and Dutchess Beer Distributors host the 22nd Annual Tony Cappillino Memorial Golf Tournament. For 21 years, thousands have enjoyed our winter golf tournament in the City of Poughkeepsie. It begins at 11am shotgun start. Up to 75 teams of four players will play nine holes of golf. A beverage of choice at their starting establishment, players go to each of restaurant while filling their scorecard. Entry fee includes: Gift bag, food, and an Awards banquet dinner following the event. This tournament has been a success because of its uniqueness, and its ability to provide a fun-filled afternoon - while raising money for a local cause.

In 21 years we have raised over \$275,000

Over 300 people play, and others just come to watch. It's a win-win tournament for everyone involved! We have created different levels of sponsorship to donate an appropriate amount to help us take care of local families in need. Thank you for your consideration.
