ANNUAL GOLF OUTING

JULY 28, 2014

This year's Annual Golf Outing will be held at the newly transformed West Hills Country Club, located in Middletown, New York. One of the most enduring qualities of West Hills is that the course is both challenging and playable for all levels of golfer. West Hills features four sets of tees ranging from 6,813 yards to 5,583 yards. The Wallkill River meanders through the golf course and makes its presence known on hole #11. This hole is played from an elevated tee and the Wallkill River is on the right side for the entire length of the hole. There are few holes in the Hudson Valley which can match the challenge and beauty of #11. West Hills also features 19 brand new bent grass greens which were installed in 2011. The putting surfaces are as pure as you can find. The Club has recently added new tees to accommodate the extra distance new golf technology has brought to the game. They have also added tees for the newer golfer and those golfers who are already challenged by the length and difficulty of the course. The championship course at West Hills Country Club is truly something to behold.

Golf outings are a great way to gather friends, family, and coworkers for a fun day of golf and networking while raising money for children in need. We hope to see you there and help us #Raise Hope #Ryan's Way!

Please visit our website for more information. www.ryansfoundation.org We rely heavily on the Golf Outing for a significant portion of the funds needed to help children in the Hudson Valley.

I graduated from Arlington High School with Board Member Carl Merritt. Years later we ran into each other and he told me he worked with the Ryan McElroy Children's Cancer Foundation. He informed me about the Annual Sporting Shoot at TMT Preserve fundraiser he puts on every year. Central Press has been working with Carl and Art Hart ever since helping to get their information out to the public.

I feel it is a great privilege to be a part of such a great organization with such wonderful people. The Foundation is a wonderful means of helping people in need. I have started working with Board Member and event coordinator Lori Decker on the Angels of Gold fundraiser. Central Press is very fortunate to be a part of this as well. All of the people involved in putting these events together are very exceptional individuals.
